## Personal Data

**Name:** Stefano Russello

**Date of Birth:** 12 December 1983

**Place of Birth:** Rome, Italy

**Status:** Married

**Nationality:** Italian

## Professional Profile

I am a dynamic person who is able to think both creatively and strategically. I pay particular attention to optimizing code, to defining problems and explaining solutions in a clear manner.

I am a team player who focuses on ensuring work is completed to schedule.

I have been living in Wolverhampton (West Midlands) since November 2014. I moved in UK to improve my English.
